This matter could have been easily & promptly decided if reference in such a technical matter had been made with completeness this was taken. Moreover the delay is inexcusable & it will not be found at the door of any clerk where the organisation is so gradual

29-VIII

Order Thereon:—

The Dist. & Sessns Judge Bangalore, brought to the notice of Govt. that the Officer in charge of the State Huzur Treasury, refused to receive a cover addressed to him and the Cash box mentioned above and that in consequence of the refusal the money in the hands of the Nazir of the Court had to be kept in the office almirah without any guard, which involves great risk of its being stolen, and requested that such notice of the Treasury Officer conduct as deemed proper may be taken and he be directed to receive the cash box in question into the Treasury.

In response to an enquiry on the subject

the Treasury Officer explained that it has not been the practice to receive cash boxes and keep them in the State Huzur Treasury, that the cover was sent late after the Treasury work had been closed and the Treasurer returned it unopened & that if the cover had been sent to him the next day, he would have received it and replied to it.

As there is no express order, apparently he is not to blame. If deposit of cash chests is considered necessary, the Registrar, Chief Court, in communication with the Comptroller, Mysore Govt., may arrange to have the Procedure of Comptroller's No. 1667 dated 27th July 1886 extended to all Civil Courts.
